CHAMPIONSHIP BREEDING . . . .

YOU GET IT IN THE SHUMAN SHORTHORNS THAT SELL  
SATURDAY, SEPTEMBER 25th \* DEERTRAIL, COLORADO

Sale at 12:30 P.M.

SELLING 81 HEAD

(51 Registered - 30 4-H Club Steers)

6 BULLS, including Leader's Diamond, 1950 Omaha grand champion and top selling bull. He is sired by Red Mercury Leader and his calves have made outstanding records in steer and breeding cattle shows during the past several years. One summer yearling son by Leader's Diamond and a red junior bull calf by Edellyn Squadron Leader, that will make a top bull. Special attractions to this sale are three yearling sons of Calrossie Captain John, the \$6,000 son of Calrossie Welcome. One of these is out of a daughter of the dam of the International reserve grand champion bull, Sni-A-Bar Randolph.

45 FEMALES - 27 beautiful open heifers, including 3 by Edellyn Squadron Leader, 14 by Leader's Diamond and 10 by Leader's Guard 2nd. 18 bred cows and heifers, including daughters of Erimus Dandy, HVF Leader 7th, Saltoon Royal Lad, Leader's Guard 2nd and Roanridge Golden Flash. 7 of these carry the services of CLEAR CREEK ROYAL LEADER, the 1954 Fort Worth reserve grand champion bull. 6 have been mated to Edellyn Squadron Leader, whose first calves in the Shuman herd this year include some great prospects. Edellyn Squadron Leader was the best calf in the 1948 American Royal Livestock Show in Kansas City.

30 STEER CALVES, outstanding prospects suitable for 4-H and FFA projects. Sired by Leader's Diamond and Edellyn Squadron Leader. These are half-brothers to the champion calves shown the past couple of years by Alfred Pope of Fort Morgan.

A pleasing set of cattle that includes herd bull prospects, foundation females and show prospects for next year's steer shows.

## EDELLYN SQUADRON LEADER

**EDELLYN SQUADRON LEADER** – his first calves arrived early this spring and they are by far the most outstanding of any we have ever produced. We are offering one young bull and three young heifers as a sample for buyers in this sale and we are making no secret about it, but we are counting on building up our cow herd with the addition of his outstanding daughters. Six females also sell mated to him in this sale, including three heifers, Lots No. 7, 8 and 9, that we think are as good as any that will be sold this fall.

CLEAR CREEK ROYAL LEADER — we purchased him in the '53 International Congress Sale after he had placed first in the senior bull calf class in the open show. He is by the famous Edellyn Royal Leader 114th and we think his shortness of leg and full bulging quarter is something we can use in our herd. We showed him at the '54 Fort Worth Stock Show where he was junior and reserve grand champion. We mated over 40 females to him in the pasture this summer and we are selling seven in this sale carrying his service.

30 HEAD OF HIGH QUALITY  
SHORTHORN STEER CALVES  
SELL IN ADDITION TO  
THE 51 LOTS OF REGISTERED CATTLE

These are outstanding steer calf prospects for next year's shows. Sired by Edellyn Squadron Leader and Leader's Diamond and all out of registered cows.

DEER TRAIL, COLORADO

CLEAR CREEK ROYAL LEADER by Edellyn Royal Leader 114th.  
Fort Worth reserve grand champion bull for John Shuman, Deertrail, Colorado.  
Alfred Pope is at the halter.

### CONTINUING TO MAKE PROGRESS

Last year John Shuman had one of the outstanding calf sales in the nation and during the year he has acquired the proven show and breeding bull, Edellyn Squadron Leader. Many breeders would have probably thought they were sitting pretty, but not John Shuman. He attended the Chicago International Livestock Show last December and there he saw and liked the first prize senior bull calf, Clear Creek Royal Leader. He bought him, took him back to his Colorado ranch and farm, and two months later showed to the reserve grand championship at the 1954 Fort Worth Stock Show.

On August 4th, I had the pleasure of visiting the Shuman's and saw their first calves by Edellyn Squadron Leader, definitely the kind that would help any herd get ahead. Clear Creek Royal Leader had been in the pastures 60 days and over 40 females were mated to him, and he was still short legged and carried a full bulging quarter. In spite of one of the worst drouths in southeastern Colorado history, the Shuman cattle were grass fat and due to some good July rains they are going to be in excellent condition for this sale on September 25th.

Last year's sale offering was good, but this year's is better. John Shuman is including some top, young females, some that he should keep in his own herd. A daughter of HVF Royal Leader 7th and others by Erimus Dandy and Saltoon Royal Lad, all close to calving to the services of Edellyn Squadron Leader, would be attractions in most any sale.

In addition to the proven herd sire, Leader's Diamond, he is also selling three yearling sons of Calrossie Captain John that will provide some new, strong blood for Shuman customers. Better make a date now to be at the Shuman ranch on September 25th.

# SHUMAN'S SHORTHORN SALE

THE LATCH STRING IS OUT ON SEPTEMBER 25th

We are pleased to take this opportunity of again inviting all of our friends to our second annual sale on Saturday, September 25th at the ranch.

We have been pleased to see the way in which the cattle we sold a year ago have developed for their new owners. We think these Edellyn Squadron Leader calves are tops and we believe you will like them. We think you are also going to like our 1954 Fort Worth reserve champion bull, Clear Creek Royal Leader. We have mated 40 of our best females to him and are sharing some of the tops with you in this sale.

We have also found time to build a new addition to our home and so you can see that we have a lot of reasons to hope that all of our friends can be with us on September 25th.

MR. and MRS. JOHN SHUMAN, RONNIE and CONNIE BOB

It is always a pleasure to visit and work with the John Shuman's. They are especially easy to get acquainted with if you are interested in community affairs, young people, Thoroughbred horses or better Registered Shorthorn cattle.

When Kansas, around Copeland, was all plowed up for wheat, the Shuman's began to look elsewhere for grassland for their cattle. They found it along Wilson Creek and the Middle Bijou near Deertrail, Colorado.

Let us consider for a bit the five last bulls he has put at the head of the cow herd:

Marellbar Courageous	Leader's Diamond	Leader's Guard 2nd
Edellyn Squadron Leader	Clear Creek Royal Leader	

*Marellbar Courageous* stood third in class at Denver and was out of an imported cow reported to be one of the best cows of the breed. He had the type and quality John was looking for and his heifers were the foundation cows of this great herd.

*Leader's Diamond* was Grand Champion at Omaha in 1950. He sired many calves that were champion Shorthorns and All Breed Champions at Morgan Co., The Little International and State Fairs.

*Leader's Guard 2nd*, a three-fourths brother of *Leader's Diamond*, was reserve champion at Omaha in 1951. He has contributed greatly to the females now in the herd. One of his calves was top seller in last year's sale and champion at the Western Shorthorn Field-day in Greeley this year.

*Edellyn Squadron Leader* was a great show bull and out of an undefeated dam. His first calf crop now on the ground show a lot of promise, and it will pay you to come and see them.

*Clear Creek Royal Leader*, now the Junior sire, is a son of *Edellyn Royal Leader 114*, the greatest Shorthorn bull I have ever seen.

These great bulls and their selected daughters have built a herd of Shorthorn cattle that, for approved type, quality and natural fleshing ability, will stand up well with the best the country over. It is really amazing the way they are able to carry their thick flesh on brown grass alone. Your first impression is that they have been on grain but this is not the case.

This offering is a golden opportunity for you to secure some of these Royally bred Shorthorns for use in your herd, as well as for 4-H and FFA members to get some candidates for next year's champion fat steers.

# **SHUMAN'S SHORTHORN SALE**

## **Standard Guarantee American Shorthorn Breeders' Ass'n.**

Proper care must be given by purchaser to protect qualities and health of guaranteed animals.

All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later submitted.

All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or country into which they may be shipped.

Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
